Congratulations to Fr Sanele who has been appointed the Tongan Chaplain in the Wellington Archdiocese. You will be fantastic in this role Father and we look forward to working with you during 2013 in both in our Parish and School communities.

My wish for the Tongan communities is to be first and foremost a praying community, a caring community, and a community that welcomes and respects everyone. We will work together to further our appreciation of the many gifts God has given us -- I would like to see the Tongan communities happy and enjoy life and live in peace. I believe that working together in love we, the Tongan people of the Arch-diocese of Wellington, will land the Waka.

I thank the parish of St Anthony for helping me along --

God bless you all – Fr Sanele

A warm welcome to our students and teachers who start back tomorrow. May God be with you as you face the beginning of the 2013 school year and its challenges.

Flower Roster – We need a few more creative people to assist with this roster. Please let Steph know on 0274408544 or glamoe@extra.co.nz or speak with one of our ushers.

On the Web!

Take the time and see this little girl telling a story. If you don't know the story of Jonah and the whale, after you listen to this little Cutie, you'll never forget it. This little girl's story telling ability is from memory and it will amaze and delight you.

If you don't watch it you will have missed a great experience.

Please remember in your prayers all those whose anniversaries occur during the month of January. Our prayers are with those who are unwell and for the wonderful people who are caring for the everyday needs of our sick in our Parish Community.
