Haere mai e te whanau, Tena koutou katoa, a kia noho te Ariki ki a koutou.

Welcome, family, greetings to you all. May the Lord be with you.

Dear Parishioners

This weekend we have celebrated a special Mass for families who have suffered bereavement during the last year. The first year of grief is particularly difficult for the bereaved as they recall special anniversaries such as birthdays, anniversaries and recall other family celebrations. Many comment on how moving it is for them to come back to the Church as a family and how this annual Mass helps them in their healing journey.

To my mind the parishioners of Our Lady of Kāpiti Parish have a wonderfully compassionate record in reaching out to the sick, the housebound, and the families of those who have died. Many comment on the wonderful hospitality and support that they have received, not only at the time of illness, death and the funeral but also in the weeks and months of loneliness that follow.

As we reach out to the bereaved we not only bring them healing we also honour the memories and faith of the Holy Souls and of the Saints who have gone before us.

With my gratitude and with every blessing in Christ

Michael McCabe
